Statement 'C'

A Statement Referred to in Answer to Part (C) of the Unstarred Question No. 576 for Answer on 1-12-1995 in the Rajya Sabha

Installation of Mahatma Gandhi's Statue at India Gate

The decision that the statue of Mahatma Gandhi should be installed on 2-10-1995 to mark the conclusion of the celebration of 125th Birth Anniversary of Mahatma Gandhi was taken by the Steering Committee for the celebration of the Golden Jubilee of Quit India Movement held on 22-12-94, under the Chairmanship of the then Minister of Railways. The question of locating a suitable site for the installation of the statue of Mahatma Gandhi in the proposed August Kranti Udyan, namely the 'C' Hexagon around India Gate is still under consideration and no final decision has been taken. The following two alternative locations for installation of the statue of Mahatma Gandhi had been referred by this department for consideration of the Cabinet:—

(i) Whether the statue of Mahatma Gandhi should be installed on the central axis at a suitable distance from the existing canopy, which may be retained as it is by erecting a suitably designed column and pedestal in consonance with the existing architectural features of India Gate in form and colour; or

(ii) Whether the existing canopy roof, alongwith its four supporting pillars be removed and the statue of Mahatma Gandhi be installed at the said site, on a suitable stone pedestal, whose design would match the colour and composition of the existing stone work at India Gate.

However, the Cabinet Note was withdrawn as, in the meantime a writ petition (CWP No. 2725/94) had been filed in the Delhi High Court by the Conservation Society of Delhi and INTACH against the alleged proposal to remove the canopy. The Delhi High Court has passed an order restraining the Union of India, the respondents, from altering, mutilating or demolishing the canopy. The matter is, therefore, subjudice.

The work of preparation of the statue of Mahatma Gandhi has been entrusted to Shri C.R.S Patnaik, sculptor stationed at Visakhapatnam in Andhra Pradesh. The work of preparation of the statue is in progress.
